Concerning certification of gaming devices, the FGB only recognises certificates from bodies that have an accreditation based on the Ordinance on accreditation and designation (OaccD ; CCFL[1] 946.512) or an equivalent foreign accreditation. The certification's object shall match up the accredited field of expertise. Each certificate shall clearly include the reference to the accreditation body.

Organisations which consider that they fulfil the requirements and wish to be added to the list of Conformity Assessment Bodies may submit an application to the FGB. For further information regarding this subject please contact: info@esbk.admin.ch
